## News Paper Recycling Workshop Lead by Special Need Students

is inspired by the following  
from H.H. Sheikh Zayed Bin  
Al Nahyan:

Nahtam Social Responsibility,  
Ability Development Centre for special needs

As part of the My Community, My Responsibility program, Nahtam is pleased to present the Newspaper Recycling Project in conjunction with the Abilities Development Centre Abu Dhabi. Through workshops and presentations students will be taught to convert old newspapers into useful household products such as baskets, stationery holders, tissue box covers, laundry baskets etc. These products will be exhibited and sold for the benefits of special need community.
